

A volleyball going over the net.

Sports

Volleyball begins

The girl's volleyball team have played an exciting first game against St. Mary's Elementary. They have no more volleyball practices until the end of Christmas vacation.

The boy's volleyball team have no games until January. The boys still have a practice on December the 4th.

Student Contribution

Gingerbread House Competition

On November 21, 2008, our class started making gingerbread houses for the annual Minter Country Gardens Gingerbread House Competition. Our class is entering one replica of our school getting repairs, and two log cabins. From the help of Ms. Crozier's mom we hope to win first prize. 1st prize is 100 dollars that would go towards field trips!

A gingerbread house example.
